Prior Authorization Request Form (PA/RF)

Completion Instructions for ambulance services

(For prior authorization submitted after HIPAA implementation)

Wisconsin Medicaid requires information to enable Medicaid to authorize and pay for medical services provided to eligible recipients.

Recipients are required to give providers full, correct, and truthful information for the submission of correct and complete claims for Medicaid reimbursement. This information should include, but is not limited to, information concerning eligibility status, accurate name, address, and Medicaid identification number (HFS 104.02[4], Wis. Admin. Code).

Under s. 49.45(4), Wis. Stats., personally identifiable information about Medicaid applicants and recipients is confidential and is used for purposes directly related to Medicaid administration such as determining eligibility of the applicant or processing provider claims for reimbursement. The Prior Authorization Request Form (PA/RF) is used by Wisconsin Medicaid and is mandatory when requesting PA. Failure to supply the information requested by the form may result in denial of Medicaid payment for the services.

Providers may submit PA requests, along with all applicable service-specific attachments, including the Prior Authorization Physician Attachment (PA/PA) and physician prescription by fax to Wisconsin Medicaid at (608) 221-8616; or, providers may submit PA requests with attachments to:
